Warning

> **Warning**
>
> No any spare parts for maintenance attached. Do not open the back cover to avoid electric shock.
> Please contact our after-sale service personnel if necessary

Warning: Do not open the back cover to avoid electric shock .No additional spare parts are inside the case .Any questions ,please contact our service personnel.

A triangle with a lighning arrow in:Remind you of probable higt voltage here in case of electric shock.

A triangle with an excalmatory mark in :Remind you that the parts here are very important .if replacement etc.is needed,please refer to relevant technical Specifications.

Warning:Do not put the TV in rainy or foggy places to prevent from fire or electric shock.Do not apply hard objects to attrite or knock on the liquid crystal screen since these may cause scratches or damages.
Warning: Modifying the product without any authorization is forbidden.

NOTE:

excessive sound pressure from earphones and headphones can cause hearing loss.

Safety

Please immediately pull out the AC power plug from adapter if there is an abnormal sound or smell or the TV has sound but no picture, and contact after sales support.

The TV should be kept free from rain, damp and dust to prevent electrical shock and short circuits.
Do not cover the ventilation openings with table clothes, curtains, newspapers etc.

The TV should be kept from high temperature heating objects or direct sunlight. It requires good ventilation. Allow 10cm between the TV and other appliances or built-in cabinet walls.
You may clean the display panel with a soft clean cloth after pulling out the power plug. Do not repeatedly wipe the panel, nor scrape, tap or strike the panel with a hard object.

Do not wipe the TV with any petrol, chemical or alcohol based solvents as it will lead to product damage of the panel and cabinet.
Safety

Do not place the TV on an unstable surface.

Do not place the power cord or other cables across a walkway in case it is trampled on. Do not overload the power cord or power socket.
Do not disassemble the back cover as it contains high voltages inside and will cause electric shock. Internal adjustments and checks should only be conducted by qualified professionals.

Do not place naked flame sources, such as lit candles on or near the TV.
Please pull out the power plug and contact after sales support if there are abnormal objects or water in the TV.
Pull out the power cord and antenna cable during electrical storms so the TV is not damaged by electrical surges. Keep all people away from the antenna cable during electrical storms.

Accessories

Please make sure the following items are included with your TV.
If any items are missing, contact your dealer.
